There are two performances for all students, The Nutcracker in December, and the season ending show in May.

The signed registration form which enrolls your child in Escuballet, is a contract for a period of 11 months. The non-refundable installment tuition is the same amount for each month, no matter the number of days in the month. Escuballet does not prorate for missed days that aren't justified. A non-refundable \$50 registration fee applies to all students annually. Tuition must be paid automatically by credit/debit card and is due the 1st of every month.
