

Escuballet Regulations

General Regulations:

All students must arrive at least 5 minutes before their class time, once it has started, they will only have 5 minutes to arrive.

Students who do not reach 80% attendance will not be able to take exams and participate in events.

Students must always wear the full uniform and attend perfectly groomed and combed.

It is not allowed to wear accessories that may be lost and hurt the student or his classmates during classes (watches, bracelets, necklaces, rings, long earrings, etc.)

Escuela Cubana de Ballet is not responsible for objects that are forgotten or lost; however, a basket of lost and found will be available in our boutique in which all the items that our staff finds will be placed.

Those responsible for the student or companions will not be able to access the room during the class, except for parents who attend for the first time and in a single trial class.

To avoid crowds at the entrance, students will enter through the front door 5 minutes before their class start and at the end they will be delivered through the back door, it is important to be on time for the students once the class is over.

Payment system:

Each student must pay for their registration.

Tuition:

The tuition consists of 11 monthly payments from August to June, regardless of whether during the cycle we have breaks in some seasons and by official disposition (we are governed by the school calendar of Broward County).

All monthly payments must be covered to ensure the student's place in the group.

These monthly payments will be automatically deducted on the 1st of each month to the payment method provided at the time of registration.

If payment is declined, you will be notified by email and message to resolve the issue or update the payment method and will be charged a \$25 administrative fee.

The service provided by the school is completely individual and non-transferable. Payments are non-refundable.

Cancellation Policy:

If for any reason you decide to unsubscribe from the school, you must notify us at the email ilianaricardo@escuballet.com including the full name of the parent and the student and the reason for the cancellation.

Escuela Cubana de Ballet reserves the right to retain the last month of tuition after cancellation.

Annual Show:

By enrolling, Escuela Cubana de Ballet assumes that the student will participate in the events organized by our institution.

The applicable participation fee will be automatically charged to the payment method provided at the time of enrollment; the automatic payment schedule will be provided one month before starting with the charges.

The sale of tickets for the events will be made through the official website of the theater.

Rehearsals for presentations:

During the cycle the school organizes and participates in events, demonstrative classes, and presentations so it will be necessary to carry out rehearsals in class schedules.

In case the student is selected for a main role, it will be cited in private rehearsals.

Days before the event extra rehearsals are carried out of which a detailed schedule will be given.

Students and parents agree to attend all rehearsals on time, only those with a minimum attendance of 80% can participate in the corresponding events.

Demonstrative classes:

These classes are held twice a year in the presence of parents so that they can observe the performance and development of their children at Escuela Cubana de Ballet.

Tests:

The tests will be held every year in the first two weeks of June, the attendance of all students is mandatory.

Based on the results obtained, the examiners will determine if the student is ready to move on to the next level.

Among the aspects to qualify are punctuality, discipline, and compliance with the uniform, for which it is important that parents commit to take their children in a timely manner perfectly uniformed and hair styled.

Indiscipline, lack of respect for other students, teachers and administrative staff will not be tolerated for any reason, and if you incur any of these faults Escuela Cubana de Ballet will notify you of the withdrawal from our institution.
