# THE NUTCRACKER

The Nutcracker is a magical ballet that has captivated generations with its story and the dazzling music of Pyotr Ilyich Tchaikovsky. With a libretto by Marius Petipa and choreography by Lev Ivanov, this ballet premiered on December 18, 1892, at the Mariinsky Theatre in St. Petersburg.

Set on Christmas Eve, it tells the story of a young girl named Clara, who receives an enchanted Nutcracker from her uncle. At midnight, Clara and the Nutcracker embark on a fantastic adventure, facing the fearsome Mouse King and traveling to the Land of Sweets.

## CLARA'S DREAM

Clara's Dream is a special adaptation that allows our students to immerse themselves in the world of this Christmas classic, sharing with you the spirit of the season and the magic of dance.
